Re: Cheri L. Sheridan, M.Ed, LGA.

To Whom It May Concern:

Please consider this a letter of recommendation and endorsement in the strongest possible terms for Cheri L. Sheridan. The Salida Union School District recently had Ms. Sheridan present to our employees and community the concepts and practices of Conscious Discipline. Our district, which is comprised of four elementary schools, one middle school as well as active Child Development programs, was well served by the keen insight and active presentation style of Ms. Sheridan.

Ms. Sheridan does an outstanding job of tailoring her material to the needs of the audience. In our instance, she gave an overview to our administrators, counselors, school psychologists and board during an evening workshop. The next day she presented to teachers, after-school personnel as well as bus drivers. To conclude her stay with us in Central California, she put on a full day workshop which included Salida and neighboring district staff as well as parents. In each setting she modeled excellent teaching skills and received positive accolades from participants.

I would recommend Cheri Sheridan as a presenter, facilitator, teacher, administrator or very frankly, any position in which she applied. She is bright, articulate, entertaining, committed and engaging. A school district or agency should consider themselves fortunate indeed to have an affiliation with Ms. Sheridan. The Salida Union School District certainly does!

Please feel free to contact me if I can provide any further information on the many qualifications of Ms. Cheri L. Sheridan.

Sincerely,

Douglas D. Baughn
Superintendent
